**Subject:** Bonjour!

I walked by the Athénée today and smiled when I thought how soon you will be able to get some hot chocolate...hehehe --- not the FL kind.

I saw your local news appearance and had to write and say - YOU LOOK GREAT!  
...and I am confident you hated the suit, but it is really really sharp!  
Again...YOU LOOK SO GREAT!!!

Hope things are going ok - it looks like it!

With love from Paris,

~CW
