help me w a pitch, I'm not really that close w this girl, maybe we can say bath and body shop?
here are some images, they might even like her.....I actually think she's closer to VS than [REDACTED]
was, I mean Ed wouldn't think you were crazy introducing her, maybe for catalogue? Otherwise
we need to think of something else, I need to tell her she's going to a casting or something of that
nature.
