Hi Lesley,

A couple questions.

1. Has Jeffrey finished with A Serious Man and District 9 yet? If so, A Serious Man needs to be sent to another address in Palm Beach, Earle Mack, 1950 South Ocean Blvd, Palm Beach, FL, 33480. Earle offered his FedEx number for that, 1638-8085-7. Please let us know when you send it. Also, please send District 9 back to us when you can.

I've attached our list of DVDs right now, let me know if Jeffrey wants us to send him any of them. We would be happy to lend.

2. When will Jeffrey be in New York City? Peggy understands he will be coming soon, and was wondering if he'd have time to see her. Please advise.

Thanks,

Margaux
