Well u know me, work is work, I'm concious about that and this holyday is important for me! I already spent all the other holydays of the year and birthday away from home, but now even if Ron would have asked me to stay I honestlly tell you I wouldn't have...I just couldn't coz I wasn't even prepared for castings, didn't bring anything with me...
My landlord just asked me about the money again. I just want to ask if you took care of this?

He didn't asked me to stay. Indeed he asked about what my plans are now, where I'm going but that's it.

No, they just asked when I'm leaving and I answered tomorrow! They didn't ask me to stay for sure!

They said that they will see the reaction of the clients from all the polaroids we made and the video and let me know...

And Ron said 4th of January.

What did they really think?
