**Subject:** Hi Jeffrey

Happy Holidays! Hope you are doing well. I miss you terribly. Please tell me something about your life. I made some progress. Jack's company is getting funded. The website is chairperson It's a site for online MBA. So far we got 100 K. Hoping to get more. The idea is to sell mba classes for 1/10 of the price. Honestly, I only now begin to appreciate how much good you did for me. The most improtant thing was confidence and security. Thank you for that! I try to pass it foward and give others what you gave me. Still live in the city, 38 and park.

All your advice when you gave it to me was right on the dot. I should have followed instructions regarding my career precisely! Anyway, I would be happy if you drop a line and let me know how you are. I am always here for you and ready to work.

Please give me a number to reach you, in case I miss your call or just in case of emergency. I might miss your call because I usually don't pick up unknown I'd.

Xoxo
