Peggy Siegel called and said it was wonderful to see you. She also is very concerned that the DVD's your borrowed are going to 'some girl' and she wants to 'talk to this girl'...all the DVD's are from the Academy and she said she could be thrown out of the Academy if anything were to happen. She reiterated she is not mad and she would give YOU anything and appreciates all you do for her. BUT, she is highly concerned about just anyone watching and having access to her DVD's.

I don't think she wanted me to mention this to you...she just kept telling me I needed to have whoever this girl is to call her right away.

What would you like me to do...I tried to tell her that I was sure whoever would watch the DVD would be watching at your home, but I couldn't get a word in!!
