Hi

Last night, I have met with a guy shopping around for modeling agency (Indian guy from SF, has been working with G Soros for 15 years and was in charge of all Asian operations)

Rusty that I have seen with you seems to be his partner.he has asked me if you were involved in the modeling business.I said that as far as I knew this was the last thing you wanted to be involved with.

I am waiting for them to contact me....
I will give you more details tomorrow
