I think I just found the space for Lokita NY  
Meat packing on 13th str

Will start the conversations regarding the deal..input this into a business plan  
per your request and send it to you prior to our meeting on the 19th

Have seen 10 sites in the last few days  
This one is unbelievable...has not been on the market for this use as it was  
supposed to be gallery or other retail...no bites

Will be in touch
