Howdee! Yes, probably early late nov, early dec. Then maybe after christmas. I'm in Paris still, might see Eric this week:) I have found a producer for WH who says if I can find the seed money for the production development (300euro) he believes he can place the show in Convent Garden Royal Opera House, Valencia, and La Scala. Any ideas who could be the angel that finally makes it happen???I've now played the finished piece to important officionados, who all agree it IS a great work. Tora took her first solo flight to LA last night!! So proud of her! Two of her songs have been picked up by a label, who then signed her. So far, so good [REDACTED] is in NY, the belle of the Halloween weekend--aaag! Let me know how you're doing--or if you need anything from Paris..xoxo
