Title: Re: I'm at the 4S (Society for social studies of science) conference:
<http://www.4sonline.org/meeting.htm> – It's a bit fuzzy for my liking but interesting questions like how scientific disputes are resolved and the nature of collaboration in discovery.

John interviewed me – it's here: http://www.edge.org/3rd_culture/stodden09/stodden09_index.html
. It should be finished and public soon.

How's FL? When do we get to hang out again?
