Hi Jeffrey,

Thank you man so much!

Really no need. Just talking them for a cruise around the city that will take most of day. After that dinner.

Tomorrow we are going to Boston (my home is still there).

I can't tell you how much I appreciate your thinking and your offer – like that I used it!

Let me survive this first - I have been very independent my whole life. Had my place since I was 14 and was earning my money shortly after.

After that I left country. This will be a longest time together with my family since I was 14. Had always zero tolerance of anyone telling me how should I live my life (do not mind good advice but can't stand preaching). All of them are psychiatrists so there is lot of (re-)analyzing going on all the time ;)

Hope you are having fun in Florida

All best

Boris

Hi Jeffrey,

Thank you so much for your call!

My mother, brother and father arrived earlier in day so I am playing a guide and a babysitter.

Not my idea of vacation but sometimes we need to do stuff for our family (I see them 1x year).

In the last moment I decided to stay closer to the central park, so we are in the Hudson hotel.

When I get back in Seattle I will send you several emails re some people/top scientists that I think you should meet soon. Some of them I visited with Bill – and these were both fun and productive.

Again – I appreciate that you are checking on me!

See you very soon,

Your new friend,

B
