Ok, You're still sleeping. I don't know what food you want. I got some soup, chicken salad, turkey salad, fresh salmon and bagels.. I sent Janush to get Joseph's food now. There are menus on the counter, janush can order and pick up anything you want when you are ready. I would get it now but I don't want it to go bad before you get up.  
I will be back at 5.30
