Jeffrey,

I just got off the phone with the owner he will be taking some pictures of the boat as it is right now so we can be sure it looks as good as advertised. Once we confirm that, Larry can go at any time to see it and take a sea trial. The boat is currently in the water at this time. The boat is located in Port Fourchon, Louisiana which is about 60 miles south west of New Orleans.

Thank you

Emad Hanna
