Please stop complaining about things before a deal, a month or a day is over...it only ruins the rest of it.

I was hoping to give you a facial later, and I had an outfit ready but after you already complained about it in the middle of the day and started an argument it is stupid and uncomfortable to do it now

I will only state this once. you didn't ask about breakfast , you didn;t ask about lunch, you didnt ask if you could help,, you didn't ask about getting a movie , you didn't ask about a facial or my nails. you didn't ask if you could get flowers , replace the dead plants.. you didn't ask about v , you didn't ask about fun sex, you didn't attempt to learn anything that might be helpful, what did you do, you got me a glass of juice when i asked and took the bowl to the sink... would my day so far have been much different if you weren't here. ask yourself. better , worse .
