I just tried it, it worked for me. What's going to happen when they thrust a real puzzle or mental condrum at you???

Go to:

[Www.g4g9.com](http://www.g4g9.com)

It will have a popup screen.

In the username, type in g4g9  
In the password, type in 9lives

That should do it. I just tried. It isn't a proposition from Wittgenstein. ;-)

Jeff,

I am one of the organizers of this event. This is truly the best collection of brilliant and truly creative minds that I know. They come from all over the world, and it is by strict invite only.

Now, how can I convince you to go, as you truly have nothing better or more fun to do... Truly,

Yours,  
Al

You will see a lot of people you know there: Marvin, Gerry Sussman, John Conway, Steven Wolfram, Nathan, etc. It's at that level...
