Jeff,

I am one of the organizers of this event. This is truly the best collection of brilliant and truly creative minds that I know. They come from all over the world, and it is by strict invite only. See also:

Now, how can I convince you to go, as you truly have nothing better or more fun to do... Truly,

Yours,
Al

You will see a lot of people you know there: Marvin, Gerry Sussman, John Conway, Steven Wolfram, Nathan, etc. It's at that level...
