Spoke with [REDACTED]. I have [REDACTED] all set. She will go see Dr. Susan Yale at 1:00 on Nov. 16th. (it is fine for her to do upon her return from PB...I spoke to the nurse and got it figured out for her)

Jeffrey...the doctor Eva suggested for [REDACTED] is a specialist for women who already have cancer...we need to get her a regular women's doctor. The receptionist gave me a phone number of their main office and said I could call and get some doctor referrals from them. Would you like me to call them for a doctor, or do you prefer to ask [REDACTED] again?
