You made on 8 year old very very very happy. So excited ! And the best - is the instructions are in Chinese. You shoulda been a parent - there's a lesson in everything.

Pls come back. We had fun. Let me know if you can go to nyc. We may have to go thur nite or fri am - or it may cancell ? But would love to see you if we happen to be there at the same time. Otherwise we will be in LA june 19-29 if you determine your legal issues need attention.

Love and a hug. And really - rjs so excited. Thanks
