hi [REDACTED].

sorry for my delayed answer but i got a really bad cold so i was sick for the last few days,
but now i feel a little better.

i told jefferey about gold leafing thinking that he wants something in alberto pinto's
direction. but he wants more like a mural painting..somehow continuing that
painting? he said it should look like parts that were made out of an old ship..if he
has something in mind can you please tell him to tell me more details, ..maybe he
has some images of how it should look like..just to get an ideea of what he wants.

thank you
nicola
