I went to see a house on the ocean today. It isn't listed and is owned by a guy who dropped a lot to Madoff. It's 12 years old, spanish, one-story on 200 feet of good beach and in very good condition. I'd say 15000 sq ft. It's near the Asper house you saw.
I have some pics and info.

I also have more info on Swanson and 1220.

Are you around tomorrow? I will come by and discuss.
