No I do not think it is appropriate for anyone to read our private emails under any circumstances. I find it worse than you breaking into my mailbox and reading my emails yourself.  
It would be more productive if you would just admit Jenna screwed up , she is still completely unreliable and only helps when she can get something out of it, instead of automatically suggesting it must be my fault she didn't schedule the lesson since tuesday.  
Good night and enjoy the cold breeze.
