here's state of play today:

1. Am negotiating with Criteria Corp to allow them to use the BrainBarCode (BBC) test. Lawyers are now involved, and a good time is being had by all.
2. Presented my budget plan today, and am done with the creative piece. I can now be less involved.
3. Am actively looking at ads for apts in NYC.
4. Head Hunters want me to be Provost at George Washington U or to be Dean of Fac at Hopkins. I've told them that I want to end up in NYC, and might be interested in running a Foundation (I'm not keen on being a Dean somewhere else).
5. Robin is taking hormones, which has got to be at least as good as vit B3.

Btw: you still taking B3? And...?

Be well.
