Not good!
I feel I can't do it on my own anymore! I almost finish all the positive energy you gave me last
time when I saw you! My batterys are almost finished!
I'm running in a circle,going nowhere!
I wanted to start a new life here, to work, to rent a place, but seems like everything is against
me! My boyfriend gives me a lot of moral suport, and belives in me like noone did before
except you!
I have to take serious decisions as soon as possible!
I liked this kind of life, but is becoming more difficult every day.

And belive me, since I spent that weekend with you I started to belive more in me and my powers...but as I said before,I'm becoming week.
