██████████'s bf is the same as ██████████'s EX-boyfriend...the way I got to know him was when ██████████ died, he was always around, driving to the Police Dept. and Coroner's and offering assistance in general and consoling the mother, etc...

Serendipitous that you wrote me because i was just thinking about you! I wish you were in NY would make things easier. I will think and see if there is anyone [REDACTED] should meet, but knowing your taste i have to say off the top of my head probably not. But at some point i want you to meet [REDACTED], she's sort of like [REDACTED], mid-20's, so I know not ideal, I'll try to set something up where [REDACTED] can meet w [REDACTED], but I know she will bring the bf along!
