Between making slides I am thinking:

You have a such flexibility with your time (you won your time).
You have a lot of money.
You manage other people money (risk smaller).
You surround yourself with super smart people as well as beautiful things and stuff.

And above all you are having FUN!
You have it right.

I want you as a mentor ;)

Back to work

Thank you so much!
I agree with you.

Right now - I need to get tomorrow meeting first. Have few people who will want to attempt to stab me during tomorrow's meeting so I need to be well prepared.
Saturday morning I am leaving for NYC.

I am planning to work on it Friday night and Saturday during flight.

The best time for me to talk would be either on Saturday after I arrive to NYC (around 6 or 7pm) or Sunday for the most of day. Sunday works best (we both always work on weekends ;)

After I am done with this I will start working on several documents for you.
There are few brilliant people you should meet! I will prepare info for you and

you decide.

My trip is confirmed. I am traveling with Bill to South Africa a day after Thanksgiving. He will continue to Kenya but I can't join - Art Basel ;). On

Dec 2nd I am leaving for Miami (arriving on 3rd). I will be there untill 7th.

Pls let me know which day works for you. I am attending also a conference (CAVD - HIV vacccine) there and giving some talks/moderating so having some date from your side would be great for planning.

Hope to finally meet you!!! So much looking forward. Strange we never met but I feel like i am about to meet an old friend!

I ve re drafted myself some of the provisions.. lets speak at your convenience,,
i want you to be able to run with anything bill turns down. i want little
restrictions on your time or future. I want you to be free to earn
money from outside consultants. and make this more boris centric , then
standard..

There are lots of questions raised . but I wanted you to see the standard
deals.. the high water mark i think is fairs, if it needs explaining , i'll review
with you
