Bra didn't work :) He asked me to come back for an hour tomorrow morning to talk about the things I didn't know so he can pass me...

The flight and the rest of the oral will count from today but than he asked me a lot about adjusting analog gauges and navigation systems I don't have in the new airplane and I couldn't explain how it all works.

Just finished the flight this second...not sure if I passed yet. The oral was very strange. I will know in 30min.
