Hi..how r u???

I have few news...

Last night Richie came over and we had anal sex...he came up with it..he just started and then he was afraid he is gonna hurt me so he stop..but then I said why not!?!? So he continued...it was really good and it didn't hurt at all..u were right...I didn't die!!!! Hahaand also he was supposed to go out to his club to work as always but he decided he gonna watch a movie with me and he slept over...he NEVER does that! He always goes to work no matter what!!even if he is super tired and super lazy or sick....so I was really surprised....
