Dear Keith and Scott,

It was a pleasure to see you again, a great team is under construction, I can feel it.

Let us try to launch February 1st 2010. We use the original recipe, selling points will be the unique history, traceability, sustainability, vitamin D, fish gelatin capsule and so on.

We can either use Lysi or American Seafood as the supplier, also consider GMC to capsule the oil. Tove, you can also speak to our Canadian friends, I guess Keith will know about them.

Scott, if you can liaise with Tove on the internet solutions it will be great.

I know [REDACTED] already made sure all dvds and film gone over to Annika.

Keith, I am waiting for my Brazilian contacts to come back to me, I will try to set up a meeting with them in NY before xmas.

Keith, the infomercial you described over the last lunch, is it possible to get a copy?

Speak soon - full speed ahead.

Best regards  
Geir
