Dear Jeffrey,

Hope you are having a slightly more relaxed Thanksgiving weekend.

I am in Singapore this weekend working up some Asian business having spent the last 8 days relaxing on Gan in the Maldives at the Shanri La resort there. Relaxed and refreshed I'm back at the work stuff.

The reason for my email is not only to wish you a happy Thanksgiving but I have just had notification of a requirement to be in Paris during the weekend of 4<sup>th</sup> to 6<sup>th</sup> December. Please may I stay in your beautiful apartment again?

Wishing you well from the far side of the Planet.
