Hi [REDACTED]

Please tell Jee that I strongly recommend him leaving house from time to time ;)

I will be at Art Basel at South Beach. Arriving at noon 12/3 and staying through Sunday 12/6 morning.

I am staying at Mondrian [http://www.mondrian-
miami.com/default.aspx?propertyId=6#/home/](http://www.mondrian-miami.com/default.aspx?propertyId=6#/home/)

It would be great if can come.

I am staying there only three days. I am meeting with many people and attending several events in three days, it will be hard squeezing half day trip to Palm Beach. Thus it would be preferable that he comes to South Beach.

Leaving house will be very good for him ;)

Boris
