Oh, then I'm mistaken, that's good. I wrote to some Luca Cordelli, I saw he's connected to Ferrari somehow and thought he's your friend. Anyway, sorry..... And thank you again for everything! I'm about to go to the airport xx

Hi Jeffrey!

I just realized that I wrote to your Ferrari friend by accident. My friend Marco from Cipriani restaurant gave me a number of his friend to go out in London if i have nothing to do. I wrote to him today and only now, when i checked out ferrari website, i realized that it's probably the same person as your friend. Don't know what to do... Marco is just an acquaintance of mine, there was nothing between us, so i don't want it to look in any bad way.....
