I'm sort of running out of time. I want to close this mon/tues and if you're out I'm giving it to someone else. As I said, my friend, you're the last man standing now.

The suspense is killing me. You're the last guy from whom I'm waiting to hear and, while I understand what you're saying, there are not degrees of pregnancy. I'm already pregnant. If I was that kind of guy I would not be the reliable and loyal friend I am. If that stuff worried me I would not have been with dubai, not have had the political affiliations I have, not have had the family dynamics I've had(!!), and would not have made regular pilgrimages to palm beach to visit a dear friend. Can you get over this please and let us all get back to having some fun in the business world?
