Subject: Greetings!

Bali is a very cool place! The hotel is crazy nice..taking sooo many pictures! We hired a driver to take us around today to different temples and rice terraces,etc; there is so much to see. We are planning on going into Ubud(the closest town) to see a fire dance tonight, but it's raining now and the dance is outside.

This is by far the coolest place on the trip so far. It is so beautiful, the people are nice and a ton of culture.

Can't wait to show you all our pictures!
