Hi Jeffrey!

well i started this boxing and i have to say that i finally found smth im really passionate about!!!!it makes me really happy!!!!I cant even believe it..haha

I also started to practice my typing..its fun but not that easy...but i feel good im doing it..

Today im getting my hair colored for darker so im excited about that as well..i like darker hair cuz it makes me feel older and more interesting i believe.

And with [REDACTED] is good. He is just having a lot of problems at work so he is a bit stressed, he didnt really talk about it yet..im just waiting..i dont ask him anything. Thats good right? cuz the other day we were together for like 2 hours, just laying in sofa and we barely talked..i mean i was quiet and he was obviously thinking about smth..

Waiting for my book order from Amazon..should be here soon..and thats about it...oh i also went for brazilian waxing, first time ever. Im proud of myself, cause its kinda painfull..

Is everything ok with u? Did u find ur couple for island yet?
