it would be a step
major differences:

they are, of course, unindexed (the indexing scheme, the one the the mind uses, is my
major interest here)

they are too long for what I have in mind (I want 1 min clips, no more, that make a point)

I know nothing about music so wouldnt know what the point is here --admit there
might be one, but guess it could be made more quickly

have you seen the master classes in music available on
the web,, i think that may be a close to your reminder
machine
