Please know that Dave and I are very interested in pursuing this science conference idea, location, etc. Sounds like great fun.

I'm about to leave for most of the month of September -- first a yoga retreat in Canada where I'm unlikely to have cell signal or email and following that, I'm heading to Amsterdam to speak at a conference and I'll be in Europe for a bit.

I return to the states by Sept. 27. Happy to pick up on this at that time!
