Hi,

I just wanted to let you know that [REDACTED] called Jack and asked if we recommended her to someone by the name of [REDACTED] Jack said that maybe [REDACTED] did. Anyways, I think that it would be best to say that someone from property management recommended to you. She also said that she was thinking about moving to an island in order to avoid coming into contact with people. After your assistant called her, she expressed that she felt as though there was some kind of higher power reading her thoughts. :)

In order to avoid any future issues, please make sure to have her sign the disclosure papers.
