Hi Jeffrey, I'm in Paris and had reviewed the millwork to be finished by Fancelli. I negotiated with him to do a package with all the added items we agreed at the site, and excluding the hardware and spare parts we came to 45.000 euros, that is aprox half of what he was billing before. We can go back any time after 3 weeks from now after your agreement on this , if the floor and windows are installed. Also I need an urgent resolution on the canvases for the ceiling, that takes some time and I am at the border of the deadline with that in order to finish the ceiling. I have kept here the painted central canvas, I need it in order to do the four sides. The desk is in progress, as the globes, I didn't understand what you meant by more substantial on the fabrics. Those are cut silk velvet, quite extraordinary, I need more of your input.J.P .
