Hi Jeffrey,

I hope all is well!

The guy who I had the first date with, when [REDACTED] was staying at your place, is my boyfriend now. I am very happy with him.

Five years ago he invented an amazing business which is actually an industry on its own. Instead of having a storyboard for TV commercials he offers to do it in visual 3D, and that way the test for the TV commercial can be evaluated properly before it goes live.

I was thinking of you because of your connections to Victoria Secret; I thought it can be an interesting thing for them as their advertisement section is fairly large

[REDACTED] currently works with big clients like - **Coca-Cola Company**, and all of it's products and sub-brands, in all of its Regional and Global Divisions. (**Fanta,Sprite, Diet Coke, Coke Zero, Georgia Coffee**, and on and on etc, etc...)

- The **Hershey's** Family of Products including **York, Reeses, Almond Joy, Kit Kat**, etc.
- **Gillette** Men's and Womens Razors as well as a wide variety of their other hygiene products.
- **Smirnoff Vodka**
- **Axe Deodorant**
- **Oral B**
- **Crest**
- **Folger's**
- **Sudafed, Benedryl, Zyrtec**
- **Pringle's**
- **Head and Shoulder's**
- **Listerine**
- **Oil of Olay**

Thanks so much and by the way I love the book you recommended me to read!!
