Ok. And it's ok if we are both there at the same time on the night of the 11th? We fly from Paris to Miami on the morning of the 12.

I just re-read these emails and I think that Andrew took your response as it was OK for him to stay at the Paris apt and to use Valdson.
Just to clarify, you don't want him using the apt, but only to use Valdson?

Dear Jeffrey,

It has been far too long since we were in contact. Hope you are well? I have been following you vicariously through various mutual friends...

Life in my world is as busy as ever and the demands are every increasing on my time. Having said that I really enjoy the work on behalf of the UK and I can make a real contribution to the UK's economy and prosperity through the activity and interventions I make.

I have to go to Paris this coming weekend, 11th to 14th Sept, and I remember that you have an apartment in Paris and was just wondering if I might be allowed to use it for the weekend? This is a private weekend and I am already booked into a hotel but on the off chance that you would allow me to use your apartment it would be really great from a number of perspectives.

If this is either inappropriate or unavailable then I apologise for asking.

I look forward to catching up with you personally before too long and in the meantime send you my very best wishes.

Andrew.
