Subject: Re: FYI: Jews in Hyperspace

Looks pretty... um... I think I'll stick with "um". Is this being endorsed as a good novel from having been read, or is it just being pointed out as interesting-looking from the blurb?

I did read the collection "Wandering Stars", and I recall that it had a few good stories:

<http://www.amazon.com/Wandering-Stars-Anthology-Fantasy-Science/dp/1580230059>
