Very good

He spoke to me and said to me what a great person you are and was very please to finally meet you.

He told me he is going to put some planters together for the pool to give you some color to that area to see if you like them and he will be working on the proposals for you.

I'm meeting with Gary Kerney right now because I heard he was going to be in NY and I wanted to meet him and talk about what I can do to help make things better.
