Ok. I can't wait to see how [REDACTED] handles it when you tell her dinner is at 5, ask for pasta and then refuse to start dinner until an hour and a half later when she has it ready on time. To get an accurate comparison that's what you would have to do. Good luck to her

I suggest letting [REDACTED] handle gauger dinner. less chance for you and i to have a problem.. i no longer want you to experiment with important evenings. you first need to learn the basics , and try them out on the lawyers, who will come for dinner. IF you poison them , i dont mind,
