Subject: Hi there!

Jeffrey!

I was just smiling... I was talking to Daniel, my new friend, and describing how you are such a great receiver and what a difference it makes in working with you! He is not quite the amazing receiver, and we were giggling...as he is enjoying learning to receive more...he's been alone for quite awhile. You really are special and a great example and I remember how you called yourself a receptical, a urinal and something else... Whatever it was a joy giving to you!

Again, thanks for talking me into cutting my hair and for wonderful Bernardo doing such a great job...I love it!

And thanks for introducing me to Jo, I love working with him!

Wishing you a great day!

:)
