Indoor.

One of my briefs for college is to design and decorate a home.

It will be contemporary and clean, yet still with a certain sense of integrity and elegance (not clinically contemporary)

Obviously no budget as it is hypothetical

Similar, in a sense, to your PB home (you are genius)

So I am just looking at inspiration for furniture etc for my sample boards etc, but I can use things from places I know in Cape Town. I know all the good places here backwards and while there is enough good stuff, I am always very interested to see new things...

So I was just checking, it is not urgent, I dont want you to have worries in your little head, because I am not there to rub it better...:-)

I love you :-))))))))

P.s what do you mean by 'design within reach'
