Title: This week

Yesterday had "Bright Star" lunch at the Plaza and "Coco Before Chanel" premiere at Paris Theater/The Monkey Bar. My bag was stolen by a white man, but this amazing black guard chased him down 3 blocks and got bag (phone, blackberry, passport) but not money and credit cards.... We shut down all cards with an hour and he did not charge anything. So it was more of an inconvenience...all my card to academy, clubs gone but replaceable. Emailed Graydon to make him feel bad for me.

Today had Cristian Amanpour/CNN lunch and "The Burning Plain" with Charlize Theron premiere and dinner at The Box

Tomorrow Ricky Gervase lunch and "The Damned United" screening.

Friday- movers are taking 10 boxes of summer clothes to my mother's Rush a Showna basement.

Having dinner with Dixon Boardman and Pepe Fanjul in Locost Valley Saturday night and Sunday going to the Jets Game in Woody's box.

Today is Mattie's 21st birthday.

I am well. Working hard.

Come to New York...

xoxo Peg

Doing opening night of Met Opera Monday, Sept. 21...have 20 movie stars coming including Meryl Streep.
