tell him that [REDACTED] got the money.. there is no question, we have a note that we can enforce with fees attached,, it will be easy, he should start legal proceedings immediatley, and recognize that she will have to declare 60 k of income. at a minimum

I finally connected with [REDACTED] after leaving numerous messages. I told her that she should pay 30k and you would forgive 30k. She got all flustered and put her husband [REDACTED] on the phone. He sternly stated he wants JEE to write a letter that [REDACTED] owes him nothing and if that is not received this week then they will take this to legal proceedings. Please advise.
