Title: Toronto Film Festival

Just got back tonight on Barry Diller's plane. Diane von F. invited me to see her daughter's directorial debut, "Tanner Hall"....you will love...about rich smart sexy boarding school girls and how they interact and grow up....very realistic...beautiful actresses...

Saw 10 film in 4 days...

Will call tomorrow- have much to tell...all good.

Have lunch for "Bright Star" and premiere for "Coco Before Chanel at night...big day...all week one to two events a day.

Had a great time in Toronto....saw everyone- george clooney, michael douglas, geoffrey rush, drew barrymore, etc...

Saw all studio execs....more important.

xoxo peg
