Title: Happy New Year

Happy Rush-a-shawna!

Mattie and I just survived another salty dinner in Alpine with my 85 year old mother...and idiot brother and idiot sister in law. I was bloated by the second course.

Mattie is now well enough to go to Africa and really wants to go. Should I call Miasha? I will call Sandy Cunningham Monday.

I survived 7 events this week...and 3 moving men and I housekeeper came at 8:00am this morning to help pack of 20 years of summer clothes (the winter are still in storage) and store in my mother's house tonight. Nothing like re-doing my apartment to welcome a 21 year old.

I am having dinner and sleeping at Dixon's in locost valley (Pepe is coming on his boat) Saturday night...and Sunday go to the Jets game with Woody and sit in the owners box...

Did I tell you this already?

I am punchy from my mother's cooking.

Awaiting your presence in NYC....seeing Meg Ryan's new film on dvd tonight...if good will send Monday. xoxo Peg

How is your New Year celebration...temple?

xoxo Peg
