Good to talk with you.

In one of those rare moments when you biological clock emits a solitary tick and you think about following in my footsteps to produce progeny remember one thing. You better do it with a Jewish girl and grin a bare it like all the rest of your buddies. The nachas (family pleasure) will be tsuras (you had enough of that the past 2 years to know what it means) if you don't. Take it from one who tried both ways.

All the best,

Mark
